Our Story

The Community Foundation is an independent place based charitable foundation which was established in 2010 to invest the proceeds of the sale of the Mirboo North community aged care facility. It has invested the sale proceeds of \$5.1M prudently and has committed to maintaining this investment (plus CPI) for the future of the community in our district, while distributing the earnings for the benefit of the community. Over the past seven years, more than \$600,000 has been distributed from this 'future fund' to the community.

The Community Foundation's Vision is that together with the community, we can make the whole community more prosperous, adaptive and resilient; that together we can make a difference.

To fulfill this vision the Community Foundation:

- ★ manages the Future Fund through appropriate investment;
- ★ invests in the community through grants;
- ★ supports local people developing local solutions for their community;
- ★ builds capacity and skills across the community;
- ★ encourages community building and planning initiatives; and
- ★ encourages the giving of money, time and talent for the benefit of others.

I would like to become a member of the Mirboo North & District Community Foundation.
